

UNIVERSITY VIEW ACADEMY

2020-2021 School Year

ELEMENTARY SCHOOL CLUBS (K-5)

Elementary Workout Club: Students will get a dose of physical activity. The workout club is a great option for non-competitive physical activity that accommodates varying levels, abilities and interests.

Hand Lettering: Students learn to write in cursive and other creative/beautiful lettering styles

K-2 Book Club: Students will choose a fun story to read and do activities with each month. Books will be geared towards K-2 only

Karaoke Club: Students choose music (free tracks on WWW); Develop singing/stage performance skills; Perform in meetings; create videos.

Origami Club: Students learn how to make origami and share projects.

Science Experiment Club: Students will conduct science experiments during club time. Students will also create and conduct their own experiment by the end of the year. Think Science Fair. Grades 3-5 only.

The State Club: Students will explore all aspects of the 50 states. 4th grade students will choose a state to study throughout the year. They will have monthly tasks to research and share during meetings.

Zumba Club: Students will participate in **Zumba**, a fitness program that combines Latin and international music with dance moves.

MIDDLE SCHOOL CLUBS (6-8)

Nailed It! Art Club: We will join together to discuss and try different art ideas! We will focus on DIY projects such as: furniture, food, paintings, drawings, and objects found in your house! (6-8)

National History Day: Become an expert for your chosen historical project and compete in different levels. (6-8)

National Junior Honor Society: Specific GPA requirements must be met. Your selection indicates interest in more information. (7-9)

Pre-Published and Published Writers: Do you love to write (fiction or nonfiction)? Would you like to know more about writing as a career? Do you want a support group to help you stick to your writing timeline? Would you like feedback on your submission to a literary agent, writing contest, or publishing house? If any of these apply to you, we look forward to having you join us! (6-8)

Running Club: The goal of the Running Club is to encourage physical activity while building positivity and a love for running. (6-8)

Stitching Club: Express your creativity by making and sharing crochet, knitting, needlepoint, embroidery, crossstitch, and sewing projects. (6-8)

Youth Legislature: A middle school program that introduces students to the legislative process. During the two-day event, students elect government leaders, participate in committees, serve as state representatives and senators, and propose, present, and vote for bills to be considered by the YL governor. (6-8)

HIGH SCHOOL CLUBS (9-12)

Beta Club: National Beta Club is the largest independent, non-profit, educational youth organization in America. And for more than 80 years, it has prepared today's students to be tomorrow's leaders. The Beta Club's mission is to promote the ideals of academic achievement, character, service and leadership among elementary and secondary school students.

Book Club: Wish you could read and discuss all those great books you read? Always feel like the book is better than the movie? Join a group of like-minded souls who want to meet to review and share ideas about classic novels. Lead discussions or just participate. Group meet-ups and activities.

Coding Club: Students learn basic coding skills using JavaScript. Skills learned can be used in other coding languages as students prepare for the future.

DECA: DECA prepares emerging leaders and entrepreneurs for careers in marketing, finance, hospitality and management in high schools around the globe.

E-Sports: Are you into gaming? Do you think you'd be great in competing in Esports? If you are, you should be a part of the Lynx Esports team. Esports will allow students the ability to learn teamwork, social skills, and competitive gaming

Film Club: We will be studying all aspects of film including; screenwriting, directing and acting, camera angles, costume design and more.

GSA - Gay/Straight Alliance: Are you in High School and a member or ally of the LGBTQ community? Would you like a safe virtual space to meet and connect with other students like yourself? This club is inclusive. You don't need to fit nicely into one category or another. If you do not identify as LGBTQ but consider yourself an ally, please consider joining. The more the merrier. :) (Note: you will need parental permission to join the club).

National Honor Society (NHS): The National Honor Society is one of the nation's premier organizations established to recognize outstanding high school students. More than just an honor roll, NHS serves to honor those students who have demonstrated excellence in the areas of scholarship, service, leadership, character, and citizenship.

Pets of UVA Club: A space for students to connect with their community and share photos, videos, memes, and information about their pets. An online platform for learning about pet care and pet ownership

Pre-Published and Published Writers: Do you love to write (fiction or nonfiction)? Would you like to know more about writing as a career? Do you want a support group to help you stick to your writing timeline? Would you like feedback on your submission to a literary agent, writing contest, or publishing house? If any of these apply to you, we look forward to having you join us!

Running Club: Have you ever wanted to start running, but weren't sure where to begin? Would you love to be able to participate in local 5k races? Want to build your endurance, gain fitness, stay motivated, boost your energy, happiness, weight-loss, self-confidence, learn tips for success, get support and encouragement....and go from the sofa to 3.1 miles?! You can also use this for your required P.E. activity. This is a great program for the whole family! What are you waiting for? Get up and off the sofa today! Check the box below to sign up for the UView Runners Club.

Strings & Things (Guitar Group)

Do you play the guitar or are you interested in learning to play? Connect with UVA students (and maybe even a few faculty members) who share a love for all things guitar. Show your gear, share your goals, and shred some guitar with us!

TEDED Student Talks Club: TEDed Student Talks is a program that supports students in discovering, developing and sharing their ideas in the form of TED-style talks.

Travel Club (Planning Trips Abroad): This club gives students an opportunity to learn about other cultures, learn the do's and don'ts of traveling abroad, make new friends, and appreciate a love of exploring new countries.
