Advisory Council Meeting (virtual "GoTo" meeting)
May 5, 2023

Members Present:

Donna Winger – parent
Jennifer Green – K-8 IEP Facilitator
Monica Paillet – HS IEP Facilitator
Amelia McLin – Director

- Reviewed the purpose of the Special Education Advisory Council
- Discussed ways to recruit teachers, parents, and other stakeholders to join us on the Advisory Council.
 1. During the IEP meetings remind parents of upcoming Advisory Council meeting dates;
 2. Post an announcement in the students' advisory or study skills course concerning the purpose of the Advisory Council as well as upcoming meeting dates.
- Discussed making a recording of meetings for those who may not be able to attend.
- Brainstorm ideas for the 2023-2024 school year to involve special education in all school activities in our virtual platform.
 1. Have special education teachers go to field trips to support our diverse learners who attend.
 2. Review regular education supply list and incorporate special needs supplies to be sent home to students.
- Create specialty supply lists for students who are eligible for LEAP CONNECT classes. This includes sensory items, special resources, and AT devices.
- Discussed having parental meetings to assist parents/learning coaches with home schedules, live sessions, etc. to help with organization and routines, which may include sample schedules, etc.
- Set tentative schedule of Advisory Council meetings for 2023-2024 school year on the second Tuesday of the months of September, January, and April.
