Baton Rouge, LA 70808

Re: Acknowledgment of BESE Authorization

Dear Mrs. Holliday:

This letter is to acknowledge that University View Academy was approved and opened as a charter school in the school year 2011-2012. On July 1, 2011, University View received their first contract and entered into an agreement between the Louisiana Board of Elementary and Secondary Education and Foundation for Louisiana Students. Since then, the school has continued to meet the requirements for renewal and is set to receive their most updated contract on July 1, 2025.

Sincerely,

Germain Gilson
Assistant Superintendent
Office of School Choice
Louisiana Department of Education
