EDUCATION

**EMPOWERED  
STUDENTS**

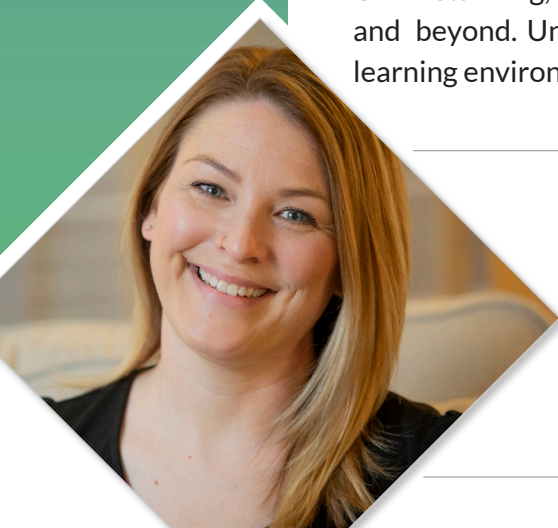

## K-12 TUITION-FREE EDUCATION WHERE LOUISIANA FAMILIES COME FIRST

### WHY FAMILIES CHOOSE UVA

University View Academy is a proven tuition-free Louisiana K-12 online public charter school authorized by the Louisiana State Board of Elementary and Secondary Education. UVA allows students to learn and excel at their own pace while offering families the professional support and flexibility they seek. At UVA, our students embrace technology, flourish through innovation, and seek empowerment to become their best self. With so much of our children's education now taking place online in both public and private schools - it's a great time to discover why UVA is the most innovative online public school in Louisiana.

### OUR MISSION

Understanding, engaging, and empowering each unique student for a career, for college, and beyond. University View Academy is dedicated to providing a flexible and innovative learning environment that accommodates the needs of all learners.

"We viewed an information session, and we learned about the school. We really liked it because it allows him to keep on a pace that's good for him. The school sends you everything you need to be successful including a laptop."

– Jennifer Sholar, Livingston

## K-12 PUBLIC ONLINE EDUCATION THAT'S AHEAD OF THE CURVE

### HOW OUR LOUISIANA ONLINE SCHOOL WORKS

**Certified Teacher Support:** Our teachers, who are Louisiana certified, lead and evaluate student learning to ensure our students stay on track. Our teachers also collaborate to plan individualized coursework to meet the student's academic needs.

**Best in Class Curriculum:** UVA curriculum meets all national and state standards providing you peace of mind in knowing that your children will be fully prepared and credentialed for learning at the next level. Students access learning through Canvas, a nationally recognized online learning platform that is easy to use.

**Learning Coaches:** Designated learning coaches, usually a parent or family member, help facilitate the learning process along with the guidance of our teachers. The role of the Learning Coach in the home is critical to ensuring student performance, and our software provides parents an easy to follow process for tracking success.

**Latest Technology:** UVA software provides a series of helpful online tools that allow both teachers and Learning Coaches to schedule learning plans, track progress, and to efficiently communicate with each other day-to-day. UVA also provides each student with a laptop.

**Ahead of the Class:** Our personalized instruction allows individual students to be challenged and work ahead. This pace enables UVA students to maximize their academic experience and learn more content than a traditional brick and mortar classroom where students may move all at the same pace.

"It's wonderful to know they have Louisiana certified teachers, because I want the best for my kids. And they have that at UVA."

– Tiffany Saik, Port Sulphur

### THE ROLE OF THE LEARNING COACH

We cannot express the importance of the role of the Learning Coach at UVA. The Learning Coach, in most cases a parent, must be on-site with the student to ensure they are participating and completing the lessons. While the Learning Coach is not expected to physically teach the lesson, he or she is expected to make a strong commitment in providing guidance and assistance during the learning process in a way that supports student performance. UVA also has a Learning Coach Corner found in the Canvas system where students do their school work. It is designed to answer questions and provide resources to overcome challenges you may encounter. Along with this feature, UVA also provides assistance through an assigned Family Liaison to assist you in your role as a Learning Coach.

### LEVEL OF LEARNING COACH INVOLVEMENT

#### ELEMENTARY SCHOOL

- Assist in maintaining scheduled work
- Provide daily oversight
- Consult with teacher and monitor grades

#### MIDDLE SCHOOL

- Assist in maintaining scheduled work
- Monitor work and grades
- Assist student or refer to teacher

#### HIGH SCHOOL

- Assist in maintaining scheduled work
- Monitor work and grades and consult when needed

"I just love being with my girls in those AHA moments when it really clicks whether it be learning a new word or completing a math task. It's very rewarding to be there every step of the way."

– Maura White, Monroe

## A QUALITY LOUISIANA PUBLIC EDUCATION THAT FITS HOW YOU LIVE

### OUR ADVANCED CURRICULUM

The University View Academy curriculum is designed to meet all state and national education standards. The UVA curriculum provides a solid foundation in all of the core courses including reading, writing, and mathematics. Our advanced curriculum also inspires students to strive beyond traditional academic expectations through accelerated learning, critical thinking, innovation, technology and empowerment.

### OPPORTUNITIES FOR ACHIEVEMENT & RECOGNITION

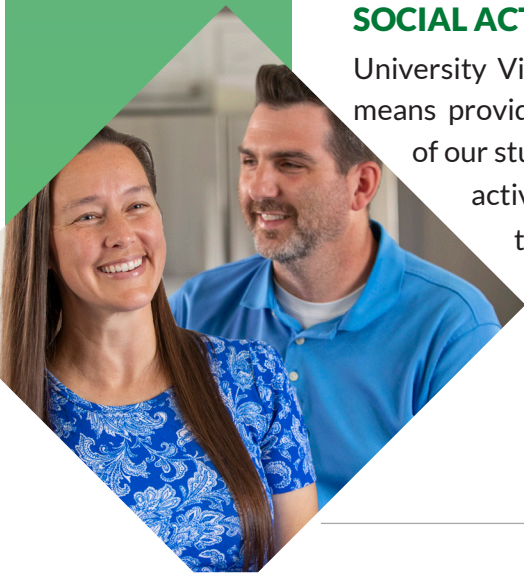

University View Academy empowers students who want to excel at a faster pace. UVA offers enhanced and accelerated language arts, math, and science courses for qualifying students. In addition, students in high school are afforded a variety of challenging honors courses as well as an opportunity to participate in dual enrollment and earn early college credits. UVA also has established chapters of the National Honor Society and the National Junior Honor Society, recognizing those students who have demonstrated excellence in the areas of scholarship, leadership, service and character. UVA also has active Beta and DECA chapters.

### SOCIAL ACTIVITIES & PEER NETWORKING

University View Academy understands that developing a student for the next level also means providing opportunities for social development and engagement activities. Each of our students benefit from a host of different social activities including clubs, group activities, and field trips. These scheduled social programs give our students a chance to meet each other in person to further build relationships among their peers they have met through online live learning sessions.

"Everything is moving to an online environment be it work, school, and life in general. It's definitely been good for the core of the family. It's really made our family grow together."

– Casey & Chris Whatley, Denham Springs

**BECAUSE YOUR BEST  
IS STILL AHEAD**

### **VIRTUE. VIGOR. VISION.**

At University View Academy, we are committed to inspiring and driving each individual student to become his or her best self. We understand every student has a unique path to achievement both in school and in life. Our students are creative, athletic, gifted, well rounded, and most importantly committed to academic achievement. Our unique online program allows them the freedom to learn at their own pace and on their own timelines, giving them extra time in each day to pursue their dreams and interests.

#### **VIRTUE**

encourages high moral standards, integrity and nobility

#### **VIGOR**

encourages students to channel their strengths to be their best self

#### **VISION**

encourages students to envision seeing their goals through to completion

1

## TALK TO ONE OF OUR PARENTS

We believe that the best way to find out about our school is to talk to other parents who have children already at UVA. They understand the commitment and expectations of the school and are great advocates for the program. Give us a call at 225-421-2900, and we can connect you with other parent advocates who will be able to answer questions and share their experiences with you and your family.

2

## EXPLORE OUR WEBSITE AND WATCH OUR VIDEO

We have gathered testimony from several of our student families and compiled their stories, insight, dreams, and experiences into short videos that capture the spirit of our students and our school. Visit us online at [universityview.academy](http://universityview.academy) to learn more about the school through their stories.

## APPLY TODAY TO RESERVE YOUR SPOT

At University View Academy, we are fortunate in that enrollment in the school continues to be in very high demand. With each year more and more student families look to make the switch to our school. It speaks well to the program we have established and we will continue to fill our enrollment cap as new students come on board. This is why it is important to enroll as soon as possible so that you can secure your spot. Enroll today by visiting [universityview.academy](http://universityview.academy).
